## Professional Experience

Working in Prognostic soft solutions Pvt. Ltd as a Test Engineer from Aug - 2018 to present date.

| Project | Invoice routing |
|---|---|
| Project Description | At the time of purchase, your employees will be able to photograph their receipts. They have the ability to assign them to jobs, cost codes, commitments, commitment items, categories, or accounts. They will also be able to add a note to the receipt if necessary. Once each invoice and receipt are appropriately connected and coded, the credit card user accepts the invoice, which is then sent back to the on-staff accountant for approval. You can also allow your users to manually route the invoice to someone else, such as a project manager. |
