### Bachelor of Engineering

Shri Vaishnav Institute of Technology and Science

## PROJECTS

2021

### File Sharing App ( Share Archivo )

<https://github.com/Roshnikhandelwal/shareArchivo>

with nodejs, expressjs, Mongo DB, INSOMANIA.

In this project i have build API's for file sharing app using nodejs, expressjs, manogo db. To upload

a file in nodejs i have used package called MULTI and also NODemailer to send emails using free SMTP used GIT SSH setup to add project in github and then i deployed on live server HEROKU.

2021

### Restful API

<https://github.com/Roshnikhandelwal/API-crud>

with express mongoose and postman

In this project i have used all the four main HTTP methods POST, GET, PATCH and DELET and create a complete restful API with the help of mongoose, postman.

2020

### Realtime chat application

<https://github.com/Roshnikhandelwal/socket.io>

with nodejs and socket.io

In this project i have used socket.io for web socket connetions. and learnt how to send and recive messages from connected browser to others.

2018 - 2019

### Database Manager ( dbFront )

with python, sqlite

The aim of this project is to develop an efficient interface in managing databases. This application has many feature like update, create, delete, insert data from data set. this database manager application cuts the query writing part completely thus makes the working fast and error free.

## TOOLS, LIBRARIES & FRAME WORK

expressjs

nodejs

mongoose

VScode

Jupyter notebook

## SKILLS

Programming Language - C, python, javascript,

ECMAScript6

Database - mongodb database management using Model

. - JSON web Tokens, RESTfull API

. - Bycryptjs, DotEnv

. - Ejs, handelbar, JSON

Used Tools - Postman, Insomnia, Git

Basic Knowledge Of - HTML.CSS

## CERTIFICATE

---

*python basics -*

*<https://www.hackerrank.com/certificates/eae8489fb0e1>*

*sql basic -*

*<https://www.hackerrank.com/certificates/7c9ed7e9e329>*

*sql intermediate -*

*<https://www.hackerrank.com/certificates/bdfc8856def2>*

*Machine learning workshop - Web Tek Pvt.Ltd.-05-15 feb  
2019*

*Industrial training in Android - Avalnche infotech pvt. Ltd.  
2018*

*Web development workshop - Universal informatics May  
2018*

*Php workshop - Shiva Concept solution at SVVV May 2017*

## EXTRACURRICULAR

---

*Worked as a social volunteer in an organization named as  
Robin Hood Army for 2 months*

## INTERESTS

---

- *world travel*
- *machine learning*
- *Exploring new technology*

## JOB DESCRIPTION

---

*current location- Indore*

*Any offer in hand- No*

*Available to work - immediate*

*Willing to relocate - Yes.*
