 - Responsible for design and development of the project using core java and servlets.
 - Utilize in-depth knowledge of Technical engineering in Ducat India in conjunction with industry and business skills to deliver solutions to customers.
 - Connecting tools to the different sources like MS Excel and Database.
 - Responsible for analysis, Data Blending and Data coming from different sources.
 - Working on Eclipse tools and development of reports.

❖ **Project 2:** Expense Manager

- **Period:** 2nd July 2020 to 1st August 2020
- **Client:** Ducat India.
- **Key Learnings:** *Core Java, Advance Java, MVC, JSTL, JSP, HTML, CSS, JavaScript, Bootstrap3, Bootstrap4,XML,Jquery,JDBC and My SQL server*
- **Responsibilities:**
 - Responsible for design and development of different reports based on the different type of Data.
 - Utilize in-depth knowledge of Technical experience in Ducat India in conjunction with industry and business skills to deliver solutions to customers.
 - Blending and clarity of data and development of report.
 - Responsible for analysis, code changes and defect tracking.
 - Perform root cause analysis of issues and carry out resolutions or recommended changes.

❖ **Project 3:** Restaurant System

- **Period:** 2nd August 2020 to 1st September 2020
- **Client:** Ducat India.
- **Key Learnings:** *Python, Python Shell, Pycharm, Jupyter Notebook, Sqlite, Database Management System, Oops Concept, Data Structure*
- **Responsibilities:**
 - Responsible for design and development of different reports based on the different type of Data.
 - Served as the role of database admin and reporting analysis.

❖ **Project 4:** Food Website

- **Period:** 02/10/2020-02/12/2020
- **Client:** IIT BOMBAY(prutor.ai)
- **Key Learnings:** *HTML,CSS,HTML5,CSS3,Bootstrap3,Bootstrap4,JavaScript,PHP,Xampp*
- **Responsibilities:**

(1) Responsible for design, development and testing , integration, and implementation of the application.

(2) Considered as project maker of whole project.

ACHIEVEMENTS:

- Awarded certificate of course completion of **Core Java and C** from Ducat in 2019.
- Awarded certificate of course completion of **Advance Java** in 2020.
- Awarded by the certificate of course completion of **Python Developer** in 2021.
- Awarded certificate of completion in **Data Science and Machine Learning** from Ducat in 2021
- Awarded certificate of completion of **CCNA Module 1 and Module 2** by **CISCO**.
- Awarded certificate of completion of **Information of Cyber Security and Packet Tracer** by **CISCO**.
- Attended seminar on **AWS Cloud Azure** in 2020.
- Attended Computer Science and Engineering workshop organized by Parley.
- Completed certification training in **IIT Bombay** for Full Stack Web Developer course.

COMPUTER PROFICIENCY:

- **Software:** UltraEdit.
- **IDES:** Eclipse, NetBeans(Text Editor), PyCharm , Jupyter Notebook, Android Studio
- **Web Applications:** MS Office ,Word ,Excel ,Microsoft Office, Powerpoint, Notepad
- **Database:** My SQL,Oracle
- **C Language Library:** Sqlite

KEY SKILLS:

- Proficient in different Reporting tools.
- Good understanding of OOP's Concept and Database Management System.
- Ability to identify alternative approaches and solutions to complex problems.
- Good communication skills when coordinating between clients and management.
- Ability to work in high pressure environments and a Team Player.
- Efficient Management and Organizational Abilities.
- Good leadership skills and Quick learner.

HOBBIES:

- Playing Volleyball
- Interacting with people
- Listening songs.
- Spending time with family and friends.
- Blogging(<https://javapythonbasics.blogspot.com>)
- Github (<https://www.github.com/Siddhi-bot>)

PERSONAL DETAILS:

- Date of birth : 27/06/1999
- Father's Name: Mr. Deepak Agarwal
- Languages Known: English and Hindi

DECLARATION:

I am keen to continue my career and I hereby declare that the information furnished above is true to the best of my knowledge.
